

Official letter to Her Most Excellent Majesty [Child's Name] I

Your Majesty [Child's Name],

I have the pleasure of writing you with wonderful news. Tonight, enthroned among the stars, our moon shimmered with a red light. The spirit of the moon descended on the castle to appoint a new queen of Fantasia. In the middle of the throne room, an image of you appeared. You were chosen by the moon. At that moment, you became the new queen of the kingdom of Fantasia. The good people of Fantasia happily welcomed the news and already call you " Her Majesty [Child's Name] I". I salute you for this for this wonderful appointment. Because the spirit of the moon chose you, I am sure that you will be a wise and just queen for Fantasia. With this letter, you will find your official royal certificate. Hang it triumphantly on the wall of your bedroom and be proud of it.

Your Majesty, we regret that you will not be able to join us here for the time being. You are still too young for such a long voyage. Fantasia is so far from where you are. This is the first time that the spirit of the moon has chosen someone so young who lives so far away. You are most certainly an exceptional person who possesses rare and precious qualities. In my letters, I will tell you all that is happening in your kingdom. You may receive many letters at once, do not worry. You do not have to read them all at once. If you prefer, you may read only one letter a day. Then, you will send your instructions to me by mail.

[Child's Name], your castle has three tall towers. Your bedroom is at the top of the highest tower. And from your window, you are able to look out over the entire city. On the lower floor is the throne room. There you will welcome your visitors.

Your Majesty, as the queen, it is now you who makes the decisions. Please send us your first royal decisions as soon as possible. They are essential to begin our work.

First, what is your favorite color? This will help us redecorate the castle according to your taste.

You should also choose an animal to accompany you during your reign. **What is your favorite animal? What would you like to name it?** Please, Your Majesty, do not choose a companion that is too big. We have to be able to house it in the castle without breaking walls.

Please send your instructions by mail to this address :

Official letter from the High Sorceress of the Kingdom to Her Majesty [Child's Name] I
Your Majesty,

Allow me to congratulate you on being chosen as queen. I am Bellegadar, the high sorceress and advisor to queen of the kingdom of Fantasia. I am more than 100 years old, and I am the keeper of all the magic spells and potions. They are all kept in an old book of magic.

Everyone recognizes me because of my large magician's hat. The powers I have come from my ancestors. My parents, grandparents and great-grandparents counselled kings and queens from the dawn of time. Starting today, I will be your loyal and devoted protector. I hope that we will be good friends! You have a great first name. You are the first queen with the name [Child's Name], for that reason you are called [Child's Name] I. The kings and queens that preceded you were named : Faragoce II, Galimalla I, Florimelle III and Taillion II. I will keep you safe. So I have cast the magic spell : "Oustibus Oustibous" to protect you from monsters. Now, you and your family will be safe.

Your Majesty, in Fantasia, we have the tradition of offering a new animal to the queen to keep her company during long winter evenings. Here is what to do : close your eyes and think very hard about your favorite animal. Also, think hard about what you want to name it. When you have decided, use your colored pencils, markers or paint brushes. Please draw me your animal and send it to me. With your drawing, I will sculpt the form of your animal out of a cloud. I will then prepare a life potion. Finally, I will say the words : "Ole Muss! Pot of Lopus! Bin Motruss in Em'Allod'Buss!" And with a loud clap of thunder your animal will come to life.

Your Majesty, carefully consider your choice of animal.
Magically,

Bellegadar,
High Sorceress of the Kingdom of Fantasia
